VIDEO ANALYSIS

This tool is considered important to have a more objective view of what happens in games and training, and to analyze the opponent we are going to face.

METHODOLOGY OF ANALYSIS

Own party analysis, to correct errors and reaffirm successes. Rival analysis, to plan training week, see weaknesses and strengths of the rival.
Training follow-up for registration and consultation base

MATERIAL TO BE USED

- . Own party, panoramic camera
- . Last 3 or 4 matches of the rival
- . Daily workouts

Professional reference of collaborator
